

LOLA CONSOLE

This beautiful marriage of architecture and design was created through a collaboration between myself and the talented Tineke Triggs for her Showcase Primary Bedroom. Inspired by the ancient Roman aqueducts and my love of combining marble and wood, The Lola is at the intersection of art and furniture that I am most happiest playing within.

Solid White Oak with Arabesco Marble

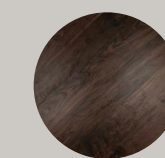

Finished in Rubiomonocoat Mist 5% Oil

12,000

Custom material, finish and size possible.
